STORY SUMMARY

Handa puts seven delicious fruits in a basket to take to her friend, Akeyo. But as she walks, carrying the basket on her head, various creatures steal her fruits. A monkey takes the banana, an ostrich the guava, a zebra the orange, an elephant the mango, a giraffe the pineapple, an antelope the avocado, and a parrot the passion fruit. Handa walks on, wondering which of the fruits her friend will like best, oblivious to the fact that her basket is now empty. But then, behind her, a goat charges into a tangerine tree and fills Handa's basket with fruit. Handa arrives at her friend's village and greets her friend. She lifts off her basket and is surprised! Akeyo is delighted because tangerines are her favorite fruit!
